mobile: 07737 167 477

### **URGENT UPDATE** - due to major redevelopment works in Blaydon.

MAJOR DISRUPTION now exists due to the shopping centre redevelopment works.  
The junction into St. Cuthberts Way from Shibdon Road AND access through the Blaydon Shopping Centre car park are both CLOSED to traffic and pedestrians.

The **ONLY** access to our showroom for vehicles is down George Street off Shibdon Road. The following instructions are essential for visitors. . .

Make your way to **Saint Cuthbert's Community Hall** on Shibdon Road in Blaydon.

The Hall is a large stone building where **Dave Anderson MP** has an office.

On the left side of the Hall is **George Street** (no road signs). Our Kitchen Door showroom is situated on the land at the back of the Community Hall.

Travel down George Street, turn right, then right again into the yard of Sentinal (garden sheds). Parking is available through the gates in the compound.

My sincere apologies for the disruption but it is beyond our control.

Please visit our web site for more information & showroom opening hours
